THANK YOU

On behalf of the entire team at Scottish Fest, I want to extend a heartfelt thank you for joining us at this year's celebration of Scottish culture and heritage. Scottish Fest started in 1932 at a Hollywood park and has grown into Southern California's premiere Scottish American Celtic Festival. The festival is produced by the United Scottish Societies Inc., a 501(c)(3) nonprofit. The longevity of the festival is a testament to the many volunteers' commitment and dedication. While the festival has evolved, it has remained true to the traditions and heritage. We hope you had a fantastic time immersing yourself in all things Scottish.
